Digital Financial Services Ecosystem

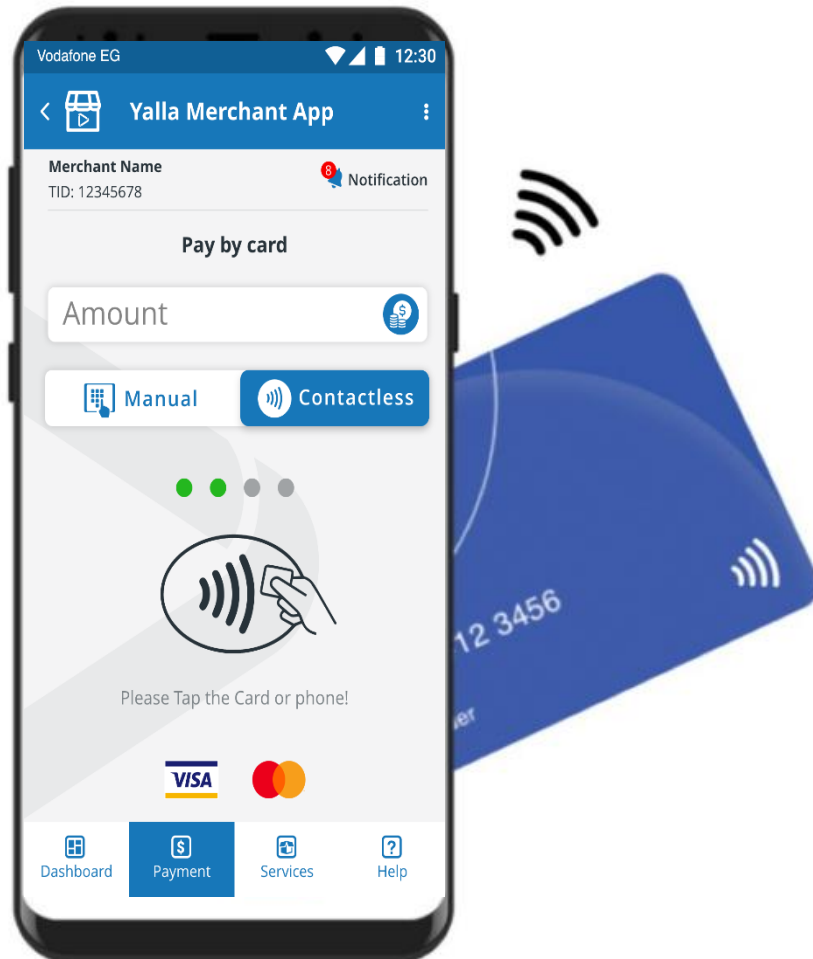

# PaySky's VPOS

Virtual POS

# Solutions:

## OMNI Gateway - Virtual POS (VPOS)

- PaySky VPOS is a “Merchant SuperApp” that turns any smart phone into a POS
- Accepts payment from:
  - Contactless Cards & Apps (e.g. Apple Pay)
  - Mobile Money / Wallets
  - Remote payments via payment links

# Solutions: OMNI Gateway - Virtual POS (VPOS)

- **Supports:**

- Android & iOS devices
- PIN on device entry
- Integration to other systems / devices (Taxi meter, ECR POS, etc.)
- Readily integrated with multiple host systems
- Customizable interface for bank's theme & branding
- Digital onboarding enabled
- Supports EMVCO QR & PaySky's PayCode
- Integration with thermal receipts printer
- Customized Email and SMS sender addresses
